

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

1. (Currently Amended) A frozen confectionery product comprising a plurality of discrete water ice confections, each discrete water ice confection being able to contact directly other discrete water ice confections in the product, wherein the water ice confections comprise an ice structuring protein (ISP), at least 6 wt% solids and have an average volume of less than 1 ml and a minimum average volume of at least 0.02 ml, individual water ices being able to move relative to each other.
2. (original) A product according to claim 1 which comprises at least 10 discrete water ice confections.
3. (original) A product according to claim 1 which comprises at least 100 discrete water ice confections.
4. (original) A product according to claim 1 wherein the discrete water ice confections have an average volume of less than 0.5 ml.
5. (original) A product according to claim 1 which is an unaerated water ice.

6. (original) A product according to claim 1 wherein the discrete water ice confections comprise at least 10 wt% solids.
7. (original) A product according to claim 1 wherein the ISP is a fish type III ISP.
8. (original) A product according to claim 7 wherein the ISP is a type III AFP HPLC-12.
9. (original) A product according to claim 1 wherein the frozen confections comprise at least 0.0005 wt% of the ISP.
10. (original) A product comprising a container filled with a frozen confectionery product according to claim 1.
11. (original) A product according to claim 10 wherein the container has a volume of from 100 ml to 1000 ml.
12. (original) A retail unit comprising a plurality of containers, each container comprising a product according to claim 1 wherein the product in each container is different.
